Residents, Family Members, Responsible Parties & Staff,

Greetings!

DIRECTOR OF NURSING: We are happy to announce that Lu Corbin, RN, BSN, has been named Morningside Center's Director of Nursing. She most recently served as the MDS Coordinator for Morningside Center. Lu has been a registered nurse for 18 years and joined Morningside Center in December. We are happy to have her as our Director of Nursing. Welcome, Lu!

Lu Corbin, RN, BSN
Director of Nursing

COVID UPDATE: On Wednesday, June 1, 2022, our first staff member tested positive for COVID. All residents were tested for COVID and no residents tested positive. Two staff members are positive now. Due to the positive test results, Morningside Center is testing all residents and staff members twice weekly.

There are no changes to the current visiting policy and the nursing home and apartments are open to visitors daily. All visitors are required to screen themselves for signs and symptoms upon entering the facility. On the nursing home side, there is a screening kiosk. Visitors are to answer the questions as they appear on the screening tablet. They also are asked to write their names in the book on the table next to the screening station and use the hand sanitizer. On the apartment side, visitors will take their temperature upon entering the facility and complete the paper screening questionnaire.

We are happy to offer alternatives to in-facility visiting. Alternatives include video calls, telephone calls, and patio visits (weather permitting). Please call the facility at 660-646-0170 for more information.

All visitors must wear facemasks at all times, go directly to the resident room and stay in the resident room throughout the duration of the visit. Facemasks are available at the facility. We ask that anyone who is feeling ill or having any signs or symptoms of COVID to please wait until they are symptom-free before visiting.

If you have any questions, please contact me at 660-646-0170 or hmelte@morningsidecenter.com.

Sincerely,

Harri Ann Melte
